Satisfaction or Money Back.

The Question of Merchandise.

Put it to yourself fairly. You, Mr. Broker, would you buy bonds or stocks without investigating what they represent? You, Mr. Bank Clerk, would you take in at the window gold or silver or paper money that has the slightest suspicion of counterfeit? Does a commission man buy and sell with his eyes closed? Does any successful man of business with his eyes closed? Does any successful man of business do anything without investigating. Yet they nearly all buy dry goods without knowing how they are made or what they are made of. Come and examine the goods we sell, the way they are put together, the fit and the hang of the garments. Ask questions and have the salesman or woman show the inside as well as the outside. Then you will see the difference between the genuine and the counterfeit.

Alexandria Bettling Co Mr. J. F. Falyn, an expert from the Smithsonian Institution, at Washington, has returned to Charlottesville from Augusta county, where he went to visit the shaft, near Cave station, from which the bones of a mastodon were taken on March 12th last. He remained four days inspecting the find, and advised the owner of the farm to make further excavations, he having taken out of the first pit the head of the femur, the ball part of which could not be held in a half bushel measure. This he took to the Smithsonian Institution Mr. Hugh M. Miller, of Charlottesville, an uncle of the man who first discovered the specimens, stated today that the deposit of bones at this particular mine would cover proba-bly twenty-five or thirty acres. Already three different mastodons have been found and four pits have been sunk. In the first pit bone was found by piercing to the depth of fifteen feet. A single mam-moth will cover an area of twenty-five by thirty square feet. Of the original mastodon discovered no parts have yet been taken out except the leg bones, a part of the head, teeth or tusks have

Discharged Band Men. Col. A. M. Higgins, of the Seventyfirst regiment of Virginia militia, at Norfolk, yesterday discharged the members of the band who declined to march in the line of the memorial parade Wednes-day with the naval band, because the navy does not require union men. The union men declared the Musicians Union would fine every member \$50 for viola tion of the rule. Colonel Higgins' per-emptory dismissal saved the men from a court-martial. Colonel Higgins says his regiment would be in a ridiculous po-sition with the band refusing to parade with United States troops because the members of the government band are

To Promote Immigration.

Mr. M. V. Richards, land and indus. trial agent of the Southern Railway, will be glad to receive the names of the friends of people who have come to Virginia to live with a view of sending them literature setting forth the merits of this State as a home for settlers. Mr. Richards' address is 1300 Pennsylvania avenue, Washington, D. C.

A Sure Thing.

It is said that nothing is sure except death and taxes, but that is not altogether true. Dr. King's New Discovery for Consumption is a sure cure for all lung and throat troubles. Thousands can testify to that, Mrs. C. B. Van Metre, of Shepherdstown, W. Va., says: "I had a severe case of Bronchitis and for a year tried everything I heard of but got no relief. One bottle of Dr. King's New Discovery then cured me absolutely." It's infallible for Croup, Whooping Cough, Grip, Pneumonia and Consumption. Try it. It's guaranteed by E. S. Leadbeater & Sons, druggists. Trial bottles free. Reg. Sizes 50e and \$1.00.

An Open Letter. From the Chapin, S. C., News: Early in the spring my wife and I were taken with diarrhoea and so severe were the pains that we called a physician who prescribed for us, but his medicine failed to give any relief. A friend who had a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy on hand gave each of us a dose and we at once felt the effects. I procured a bottle and before using the entire contents we were en-tirely cured. It is a wonderful remedy and should be found in every household. H. C. Bailey, Editor. This remady is for sale by Richard Gibson and W. F.

FOR OVER SIXTY YEARS AN OLD AND WELL-TRIED REMEDY.—
Mrs. Winslow's Soothing Syrup has been used for over sixty wears by millions of mothers for their children white teening with perfect success. It soothes the child, softens the gums, allays all pain, cures wind solid and is the host remedy for Distribute. colic and is the best remedy for Diarrhœa. Is pleasant to the taste. Sold by druggists in every part of the world. Twenty-five cents a bottle. Its value is incalculable. Be sure and ask for Mrs. Winslow's Soothing Syrup and take no other kind.

There is one rational way to treat nasal catarrh: the medicine is applied direct to the affected membrane. The remedy is Ely's Cream Balm. It restores the inflamed tissues to a healthy state without drying all the life out of them and it gives back the lost senses of taste and smell. The sufferer who is tired of vain experiments should use Cream Balm. Drug ists sell it for 50 cts. Ely Brothers, 55 Warren Street, New York, will mail it.

Resorts of the South.

A beautiful specimen of artistic printing is "Summer in the Land of the Sky," a booklet issued by the passenger department of the Southern Railway, descriptive of the famous resorts of 4he Virginias and the Carolinas and other Southern States, reached by the Southern. It contains many half tone illustrations showing the most noted of North Carolina's pleasure resorts and boarding houses with rates of each. It is a most useful guide. Copies may be had upon application at ticket offices, or by addressing L. S. Brown, General Agent, Washington, D. C.
